SPLC, The Software Product Line Conference, is the premier forum for practitioners, researchers and educators to present and discuss the most recent ideas, innovations, trends, experiences, and concerns in the area of software product lines and software product family engineering.

SPLC 2014 will be the 18th official gathering of the product line community and will take place in Florence, Italy.

Research Track

Original results of conceptual, theoretical, empirical and experiment research.
Emerging technical and business directions, future trends and outstanding challenges.

Industry Track

Papers on experiences of adopting and applying product line methods in practice.
Strategic, business and organizational aspects of product line engineering.

All accepted papers will be published in the ACM Proceedings.

Additional Contributions

Workshops, Tutorials, Panels, Tools and Demonstrations, Doctoral Symposium, Nominations for the Hall of Fame.

For more information please visit the conference page at: <http://www.splc2014.net/>
